For all the right connections!

Locate With “One Hand Tied Behind Your Back”

With The Magna-Trak® 200 Series Magnetic Locator From CST/Berger!

All the features needed in a magnetic locator, ergonomically designed for complete one-handed operation.

Large LCD Display

- Digital readout and bar graph allow you to locate visually!
- Used with audio tone, it allows for pinpoint accuracy, even in congested search areas.
- Indicator cautions you when detecting a power line!

Erase Function (MT202 Only)

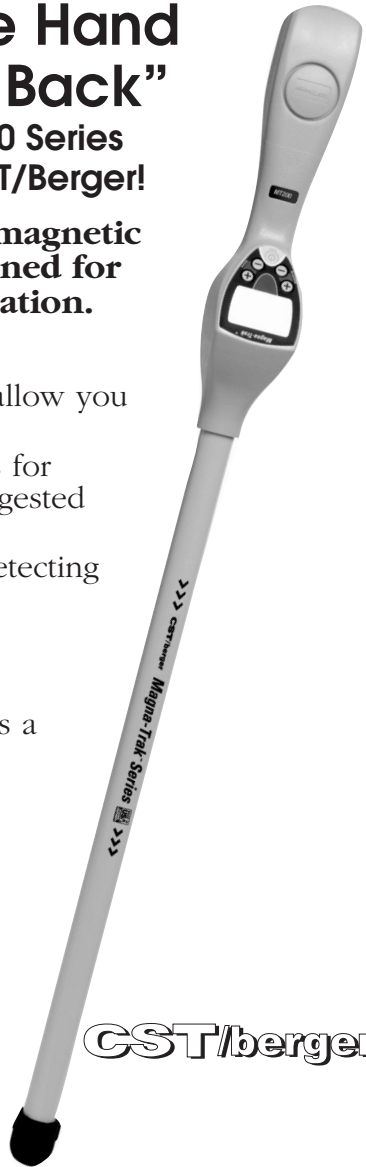

- Blocks out interference from a magnetic disturbance (such as a nearby fence).

Membrane Switch

- Lets you adjust volume and sensitivity with the same hand that holds the locator.
- No mechanical controls – membrane is sealed from dust and moisture.

Engineered Body

- Lightweight (only 3 lbs.)!
- Water-resistant housing permits use in the rain.
