**Introducing Hydro Metering Technology
– A Division Of DSG: All The Meters You
Need From A Name You Trust**

DSG has teamed up with Hydro Metering Technology to bring you the latest in meters, automated meter reading (AMR) systems, software, accessories and more! Here's how we can help you:

- **Get the meter reading products you need when you need them!**
Hydro Metering Technology stocks a huge supply of the best water meters, gas meters, electric meters and AMR products. Get the meters you want, delivered when you want them.
- **Receive world class knowledge and experience!**
Hydro Metering Technology's expertise is recognized by utilities, municipalities and contractors throughout the country. Take advantage of Hydro Metering Technology's specialists to get the solutions you need from a name you can rely on.
- **Expect superior customer service!**
Hydro Metering Technology shares the same focus on superior customer service that DSG has employed since it got its start in 1898. Count on a new name from an old friend!
